business & finance, politics and history

Our London tour package offers the chance to sample life in a busy financial and political hub, by visiting key landmarks relating to business and politics as well as excursions to London's top historical sights.

what will students do?

Students will sample the inner workings of London's politics by watching a live debate in the House of Commons. They will explore the principles of banking and finance with experts at The Bank of England as well as have the opportunity to see the architecturally renowned Lloyds of London building housing the world's leading specialist insurance market. Students will also learn about the fascinating workings of Tower Bridge.

what will students learn?

Students will have the chance to explore complex economic and financial concepts in a real world setting and witness political history being made. They will see British political traditions and explore ideas of governance and equality in modern society.
