## european politics & automotive history

Our tour of Strasbourg and Stuttgart will introduce your students to the politics of the European Union and the automotive industry of Germany.

### what will students do?

Students will have the opportunity to take a tour of the human rights courts and attend a live hearing, seeing the impact of their decisions on the lives of EU countries. They will also get to see other sections of the EU structure, including visiting the European Parliament and the Council of Europe to see how the EU functions as a whole. They will then transfer to Stuttgart and visit the famous museums of Mercedes and Porsche. Students will have the opportunity to compare the manufacture and brand identity of these two world renowned companies.

### what will students learn?

Students will have the opportunity to explore two very different sides of European cultures. They will see the complexities of having a European court system and the effects (both positive and negative) that it has on member states as well as seeing the history of one of Germany's most important industries.
